Training for Rural Masons for Construction of Houses under

Pradhan Mantri Awaas Yojana - Gramin (PMAY-G) in Chhattisgarh

Background

Rural Development Department, Government of Chhattisgarh invites expression of interest in the form of project proposals from reputed training providers accredited & affiliated with Construction Skill Development Council of India to provide training for Rural Masons for construction of houses under Pradhan Mantri Awaas Yojana - Gramin.

PMAY-G aims to provide a pucca house with basic amenities to all houseless and households living in kutcha and dilapidated house by 2022 and ensure construction of quality houses. The house shall be constructed or got constructed by the beneficiary himself/ herself under PMAY-G. The target of 2,06,372 house construction has been given to the Chhattisgarh State for the financial year 2017-18 under PMAY-G. for year 2017-18, 20 districts house-cum-training sites shall be made available for training of Rural Masons by the district authority. The number of house-cum-training sites may be increased as per requirements. District wise targets for construction and rural masons training are given in the annexure-A.

Scope Of Work

The work involves providing largely on-the-job training and facilitating assessment of candidates at selected PMAY-G sites (house-cum-on the job training sites) as per the Rural Mason Qualification Pack approved by National Skill Development Council (NSDC)

The Training Providers may also need to provide necessary reading materials in local language required for training. The medium of instruction for the training and the reading material shall be in Hindi, preferably with local dialect. The training course shall be delivered based on an approved building design, contents and schedule approved by the competent authority. The trainers/demonstrators should be qualified(as per MoRD, GoI guidelines for the Rural Mason QP in the construction sector), CSDCI certified(or certified from any agency/institution etc. recognized as per the guidelines of the MoRD, GoI) and eligible for imparting training to Rural Masons as per the prescribed QP-NOS. The lead trainers/ supervisors to be deputed shall also be qualified (as per MoRD, GoI guidelines for the Rural Mason QP in the construction sector), CSDCI certified (or certified from any agency/institution etc. recognized as per the guidelines of the MoRD, GoI), eligible and experienced in dealing/handling the similar jobs relevant to the training of Rural Masons and construction of houses. Certificate of same must be produced by the TP in their proposals.

The Training module for the Rural Mason Qualification pack is for an estimated training duration of 45 person days considering 8 hours of work per day. However, additional days may be considered for very difficult terrains, prevailing local conditions etc. based on the assessment of the state.

At each house-cum-training site 5 selected trainees (semi skilled persons) from the rural area shall be given training by a exclusive qualified certified trainer (as stated above) along with a supervisor who may be deputed for not more than 3 such training sites.

The training shall involve on-the-job / practical component (approximately 80%) and theory (approximately 20%) with all the necessary tools and methods appropriate to the context.

Eligibility Criteria for Training Providers.

The Training provider should meet the following basic criteria:

1. The TP should be a registered entity accredited & affiliated by CSDCI and valid at current.

2. The TP should have completed projects of similar nature during the last 2 years.

3. The TP should have duly allotted PAN/ TAN / GST etc.

The Project Proposal must clearly specify the number of qualified, certified trainers/demonstrators as well as supervisors/ lead trainers available for deployment for the said training. Expression of interest must also include a tentative list of districts / blocks where the agency has verifiable presence for ease of work.

The TP should intimate their interest by submitting the detailed project proposal along with the following documents:

1. Proof of legal status / registration of the agency along with PAN/ TAN/ Service Tax registration etc.
2. At least 3 years of experience of having undertaken similar work verifiable through work orders
3. Certificate of Accreditation with CSDCI valid at current affiliation
4. Brief bio note of the qualified eligible experienced trainers/demonstrator Raj mistris/Supervisors/ lead trainers available for deployment for the said training along with their registration ID, certificate of training as trainers for Rural Masons and qualifications.
5. Trained more than 400 candidates in construction sector.
6. Deployment plan indicating number of training houses (@ 5 semi-skilled masons to be trained per house-cum-on the job training sites) through one exclusive qualified eligible experienced trainer and a supervisor for a cluster of maximum 3training-cum- house sites. The qualification and eligibility of trainers & supervisor shall be in accordance with QP-NOS for Rural Masons approved by NSDC.

The proposal may be submitted to the Director, Pradhan Mantri Awaas Yojana (Gramin) Block B, 1st Floor, Indrawati Bhawan, Naya Raipur, Chhattisgarh latest by 5:00 p.m. on 14/06/2017 along with all supporting documents. The Envelop should clearly mention "Project Proposal for Providing Training for Rural Masons"

The TP will also have to appear in person or through authorized representative [s) for a detailed discussion & presentation when invited.

Roles and Responsibilities of Training Providers

1. Lead the process of pre-screening of Trainees
2. Adapt / translate and print training materials and aids for use in the training
3. Assist the PMAY-G beneficiaries whose houses will serve as training sites in procurement of quality materials.
4. Conduct the training as per agreed schedule (theoretical as well as practical)
5. Maintain daily attendance of trainees and assist in timely payment of stipend / compensatory wage
6. Document the training through videos and still photographs and daily site notes.
7. Conduct mock assessments
8. Intimate CSDCI/ approved assessing bodies and State RDD one week in advance of completion of training for facilitation of assessment and certification.
9. Make available materials for practical assessment upon completion of training.
10. Ensure at each training site, a qualified trainer exclusively per house-cum-training site and a qualified supervisor for a cluster of maximum 3 house- cum-training sites.
11. The construction of the house must be as per the prescribed norms/design etc. provided by the competent authority.
12. Placement of Trained Rural Mason after Completion of Training.

Financial Norms

The cost of Trainers (demonstrators Raj Mistris and Supervisors) may be paid to the Training provider as per the Uniform Cost norms laid out by the Government of India, with the current ceiling @ Rs. 30 per trainee per hour(subject to maximum 360 hours to covered the all the contents of prescribed QP-NOS for rural masons and any other contents, if included). In the case of rural mason training funded by MoRD and RD department of Government of Chhattisgarh, besides the cost of providing actual training, this ceiling includes making available the required training infrastructure and common tools, provision of training materials to trainees, and facilitating assessment of trainees by an assessing agency accredited with DG(T) Ministry of Skill Development and Entrepreneurship, GoI/CSDCI / NSDC by qualified/certified assessors as well as certification and placement of trainees.

Mobilization of potential trainees will be undertaken by the local administration and the TP is expected to lead the process of pre-screening. Cost of raw materials for on the job training will be borne by the PMAY-G beneficiary whose house is being constructed through the process however the TP is expected to assist the beneficiary in selection of materials of acceptable quality in line with the bill of quantities approved for the house. Any common tools required for the training will be made available by the TP. While the fee for assessment and certification will be paid by the department to the certification body, the TP is expected to facilitate the process by making available the required data on the certifying agency portal, making available raw materials for assessment and any other assistance required on site. the TP will not be eligible for any additional payments for providing these services.

30% payment of the training cost shall be paid on commencement of training, 30% payment upon completion of National Occupational Standards CON/N3601- CON/N3607 (ref. Rural Mason QP) For all houses taken up under training, 20% upon completion of CON/N3608 (ref. Rural Mason QP) For all houses taken up under training, 20% upon successful certification of at least 50% trainees.

Terms and Conditions (enclose authenticate supporting documents where necessary)

1. The TP has to submit the detailed project proposal which should include important details such as past experience, list of deliverables, complete list of trainers with their qualifications and experience, detailed implementation plan, list of reading material to be provided, audio - visual material (if any) etc.
2. The TP should have VTP registration in Chhattisgarh under CSDCI and /or NCVT and have trained at least 500 trainees.
3. The TP's main trust /firm/company should have an annual turnover of at least Rs. 50.00 lakh per annum for the past three years.
4. The medium of instruction shall be Hindi and expected delivery also in regional dialects where it is a necessity to the trainees.
5. The TP will be fully responsible for developing the training schedule to cover the Rural Mason QP within 45 working days @8 hrs/day.
6. Deployment plan for each site must be submitted as part of the bid.
7. The TP will also be responsible for facilitating assessment by way of requesting DGT /CSDCI /NSDC to appoint qualified and certified assessors and provide the necessary infrastructure and materials for assessment. The assessment will be alone trough CSDCI Assessment bodies (or through any assessing body(s) recognized as per the guidelines of the MoRD, GoI). The assessing bodies have assessors located in the Chhattisgarh State. The Training Provider shall not be an assessing body.
8. The TP shall not be black listed.
9. The TP shall not appoint or authorized any franchise (s) for important training assigned to them. If such complaints found then the TP may be black listed and the work given to them shall be withdrawn.
10. The selected TP shall have to deposit the amount (5% of the total work order) in the form of bank guarantee in the name Director PMAY-G, Department of P&RD Chhattisgarh.
11. The state authority reserves the rights to assign target and allotment and they should preferably have assessors located in the Chhattisgarh State. The TP shall not be an assessment body of districts for imparting training of trainees to the selected Training Providers.
12. The project proposal will be screened on the basis of past experience and track record of the organization, authentic supporting documents, best project plan and quality that will be determined by the selection committee through the presentation made by the TP if required.
13. Financial, training norms, terms& conditions etc. shall be as per the guidelines of the MoRD as & when amended.
14. The selection committee shall hold the rights for any change/modification/relaxation in the terms and condition for awarding/rejecting the contract.
15. The decision of selection/cancellation of the TP or rates shall be taken by the selection committee and shall be final and binding on all concerned.
16. Rural Development Department, Government of Chhattisgarh reserves the right to accept or reject any or all the application at any stage of the selection procedure without assigning any reason thereof.

17. The successful TP will have to sign a contract with the district administration where the training will be undertaken.
18. In case of unsatisfactory work during any stage of implementation of the contract, the concerning district administration reserves the right to cancel the contract by providing a notice of 10 days.

The Eligibility criteria for Lead Trainer/Supervisor and Demonstrator/Trainer are as follows:

Lead Trainer/ Supervisor:

- 10-12th passed with 8-10 years continuous construction experience OR ITI certification in civil trades with minimum 6-8 years of work experience in construction.
- Level 4 CSDCI certification in at least 2 of the core Rural Mason QP Job roles. e.g. masonry, FWC, bar teaching/training experience OR 2 years of construction site supervisor experience.
- Good Hindi writing skills, Good communication and applied math's skills.

Demonstrator/Trainer:

- 8th passed with 3-5 years continuous construction experience OR Level 4 CSDCI certification in at least 2 of the core Rural Mason QP job roles, e.g. masonry, FWC bar bending, etc., OR able to pass RPL level 4 in 2 job relevant job roles.
